PROFESSIONAL SUMMARY

AI-focused full-stack developer with experience building intelligent web applications, OCR pipelines, RAG systems, and scalable APIs using React, Node.js, TypeScript, and Python. Skilled in AI/ML integration, semantic search, REST APIs, and automation workflows.

TECHNICAL SKILLS

Languages: JavaScript, TypeScript, Python, SQL

Frontend: React.js, HTML5, CSS3

Backend: Node.js, Express.js, Django, REST APIs

Tools: MySQL, Git, GitHub, Linux, VS Code

Concepts: RAG Pipelines, OCR Processing, Semantic Search, CI/CD Basics

EXPERIENCE

SOFTWARE ENGINEER | Whilter AI

Dec 2025 – Present | Gurugram, India

- Developed AI-integrated full-stack platform features using React, Node.js, JavaScript, and TypeScript.
- Integrated AI/ML model outputs into dashboards and user workflows.
- Designed RESTful APIs and optimized backend data flows for scalable performance.
- Contributed to CI/CD deployment workflows and frontend/backend solution development.

DATA ANALYST INTERN | Ernst & Young

Feb 2025 – May 2025 | Gurugram, India

- Processed and integrated multi-source datasets for analytics and reporting workflows.
- Improved data quality through validation and preprocessing techniques.
- Supported reporting workflows and structured analysis for business insights.

PROJECTS

EduTech – AI-Powered Educational Document Processing System

Python, React.js, Node.js, OCR, MySQL

- Built an OCR-based pipeline for extracting structured question-answer data from educational PDFs.
- Developed classification workflows and automated Excel-ready structured output generation.
- Integrated backend document-processing workflows with React and Node.js.

IntelliRAG – Intelligent Retrieval-Augmented Generation Platform

Python, Vector Databases, LLMs, REST APIs

- Developed an AI-powered RAG system for contextual document querying and semantic search.
- Implemented document ingestion, chunking, embedding, and contextual retrieval workflows.
- Integrated LLM-based response generation to improve answer relevance.

EDUCATION

MCA – Master of Computer Applications

Birla Institute of Technology, Mesra | May 2025

BCA – Bachelor of Computer Applications

Manav Rachna University, Faridabad | June 2023

CERTIFICATIONS & ACHIEVEMENTS

Microsoft Azure AI Fundamentals | Azure Data Fundamentals | Azure Fundamentals | Cisco Cybersecurity Essentials

Excellent Contributor Award – Alibaba Cloud Low Code Development Contest 2022

LANGUAGES

English, Hindi, French (Beginner)
